ABOUT CORNERSTONE

Cornerstone Theater Company makes new plays with and about communities throughout Los Angeles and beyond. For over 30 years, Cornerstone has commissioned over 100 award-winning playwrights, produced over 150 new plays for American Theater, trained thousands of students in our innovative methodology, and impacted tens of thousands of community members across the country, many experiencing theater for the first time. Our plays celebrate many voices, and by combining the artistry of people with many levels of theatrical experience, we act upon the conviction that artistic expression is civic engagement and that access to a creative forum is essential to the wellness and health of every individual and community.

“Cornerstone is a modern miracle that has never stopped believing in the power of art.”

– Amy Brenneman, Founding Member & Bridge Awards Recipient

“Cornerstone continues its tradition of path-breaking theatre to this day. ...gives me hope not only for the theatre but for our nation, indeed for the entire human civilizational project.” – Rob Weinert-Kendt, *American Theatre Magazine*

COME CELEBRATE CORNERSTONE'S 31ST YEAR OF MAKING NEW PLAYS WITH AND ABOUT COMMUNITIES.

The Bridge Awards begins in the beautiful garden of Millwick in the heart of Downtown LA's Arts District with a VIP cocktail hour, followed by a scrumptious dinner, engaging program and awards ceremony. The Bridge Awards celebrates Cornerstone's mission, past accomplishments and promise for the future, while honoring individuals, organizations and foundations dedicated to the betterment of the communities they live, work and serve in.
